SECOND
LIFE

Bergamo
October 23rd-26th 2019

-
Ex Chiesa Sant'Agostino
Accademia Carrara

Four daily sessions dedicated to the care for the people, the city and the landscape, based on five fundamental elements: norm, innovation, reuse, economy, social relations.

Atlante Second Life, Grid Second Life and Forum Second Life will address strategies to promote the development of society through cultural, economical and infrastructural renewal actions with the intention of triggering a great process of urban redevelopment in a social and civil key.
